

JUNE 2010

Taranaki Beekeeping Club

ANNUAL GENERAL MEETING

20th JUNE 2010

At # 685 Uruti Road

2.00pm

AGENDA

Tour of a modern commercial extraction plant
(which will take about an hour to an hour and a half,)

Annual General Meeting

Honey Competition
(followed by the results, then a cup of tea and a bun).

Directions: After leaving the Waitara - Urenui straights and the Brewery, you descend into a valley and the main road becomes very curvaceous **with the Uruti turn off on your right.**

If you cross the small bridge and come to several long straight stretches of road. **then you have passed Uruti and the Uruti valley road.**

Stephen and Fiona live in the Uruti Valley on the Uruti Road, about 6 Km. from the Main Road North, number 685 on the left hand side of the road.

Going up the Uruti Road, **if you come to the tunnel through the hillside you have gone too far!**

The whole journey will take about forty five to fifty minutes from New Plymouth to get there.

If anyone needs transport we will try to arrange a vehicle to get you there.

Contact Adrian if you are willing to give members a lift or if you need a lift. **(06 753 4681)**

Bring a sample of your honey to the meeting for the competition . There will be just two classes in the competition: Liquid Honey and Crystallized Honey.

Remember that Honey looks better in glass jars! See you there - Adrian.
